## **K-96 Repairs Begin June 13**

A Kansas Department of Transportation project for concrete joint repair on K-96 from Greenwich Road to U.S. 54 will begin Wednesday, June 13. The project will involve single lane and occasional ramp closures Sunday – Friday nights from 6:30 p.m. to 7:30 a.m. plus extended working hours on Saturdays and Sundays.

Speed limit in the work zone will be reduced to 50 miles per hour.

The Scodeller Construction Company of Wixom, Michigan is the contractor for the \$311,000 project. It should be completed in July if no significant weather delays occur.

The project is part of the highway preservation component of T-WORKS, an \$8 billion, 10-year transportation approved by the 2010 Kansas Legislature. More information on the program is available at <http://kdotapp.ksdot.org/TWorks/>. Information on this and other Wichita highway projects is available at [www.WichitaKDOT.org](http://www.WichitaKDOT.org).
