KDOT hosts public meeting on proposed improvements to US-56 through Copeland

The Kansas Department of Transportation invites the public to review proposed plans for a pavement replacement project on U.S. 56 through Copeland. The open house event is scheduled for:

Wednesday, August 28 6:00 – 7:30 p.m.
South Gray Junior High School, Commons Area
105 Thatcher Street, Copeland

The open house is a come-and-go event with no formal presentation planned. Visitors will be able to review the proposed plans and project designers will be on hand to answer questions.

The planned improvements include replacing the existing pavement and replacing or repairing curb and gutter and storm sewers. The project will impact driveways and entrances along the highway. Construction is tentatively scheduled to begin in 2015.

If you have questions on this proposed project, you can call Chuck Oldaker, Area Engineer, at 620-356-1531. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
