Section of US-24 & K-189 get Cracks Sealed

Beginning Monday, Nov 5th a portion of US-24 in Cloud & Clay Counties and K-189 in Cloud County will receive asphalt crack repairs. On US-24 the project begins at the K-189/US-24 junction and continuing east to the west city limit of Clay Center. On K-189 work begins at the K-189/US-24 junction the south to the Miltonvale north city limit. Cracks in the asphalt will be routed out, cleaned and filled with a sealer. Traffic will be reduced to one-lane and will be carried thru the workzone by pilot car. Be prepared to stop. Plans call for work to be completed and open to all traffic on or about Nov 16, 2012 weather permitting.

The purpose of sealing the cracks is to extend the useful life of the highway.

Huff Sealing Corp. of Albion, IL is the prime contractor. Project cost is \$86,537.85.
