## Survey Scheduled for U.S.-56 in Morris County

Beginning Monday, December 10<sup>th</sup> surveyors will be conducting work on U.S.-56 1.6 miles east of the U.S.-56/K-149 junction and about 13 miles east of Council Grove. The purpose of the surveying is to gather information needed for the detailed design of a new bridge over Haun Creek. The survey will include an area ¼ mile east and west of the bridge scheduled to be replaced. The work is scheduled for completion on or about Jan 21st, weather permitting.

A member of the survey crew will first contact property owners and/or tenants for permission prior to entering private property. Survey activities will include the use of survey instruments on the ground to determine locations of existing features within the survey corridor.

Tim Sloan, L.S., will be in charge of this survey.
