

TRAFFIC ALERT

Kansas Department of Transportation Traffic Alert

News Contact: Kimberly Qualls, (785) 640-9340 or kqualls@ksdot.org

FOR IMMEDIATE RELEASE

For October 31-Mid-November 2010 - Riley County

K-18

Beginning on **Sunday, October 31 at 7:00 p.m.**, eastbound and westbound K-18 will be reduced to one lane in each direction for approximately .25-miles on either side of West 68th Avenue for dirt hauling work on the K-18 improvement project in Riley County. The lane closures will take place six days a week, Sunday through Friday, between 7:00 p.m. and 5:00 a.m. daily. There will be no overnight closures on Saturday (extending from Saturday evening into Sunday morning).

Trucks will be hauling dirt from the north side of K-18 to the construction area located on the south side of K-18. Flaggers, illuminated by light posts, will periodically stop traffic on K-18 near the West 68th Avenue intersection to allow the trucks hauling the dirt access across K-18.

Drivers will experience minor delays and should allow extra time for their commutes. As always, the Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone.

Project work is scheduled to be completed in mid-November 2010, weather permitting.
