U.S. 50 overlay project to begin in Lyon County

The Kansas Department of Transportation will begin an overlay project on U.S. 50 in Lyon County on Monday, April 17, weather permitting. The project covers approximately 4 miles, from the Lyon/Chase county line to just west of Road E5.

When work is taking place, traffic will be restricted to one lane and directed by a pilot car, flaggers, signs and cones. Drivers should plan for delays of up to 15 minutes.

Work will occur Monday through Friday, and Saturdays as needed, during daylight hours. It is expected to be complete in early July, conditions permitting.

APAC-Kansas Inc. Shears Division, of Hutchinson, is the prime contractor on the \$3 million project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of highway construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
