

TRAFFIC ALERT

FOR IMMEDIATE RELEASE

June 3, 2013

News Contact: Kimberly Qualls, (785) 640-9340 or kqualls@ksdot.org

I-70

EXPECT DELAYS! LANE CLOSURES: Eastbound and westbound I-70 left lanes (right lanes open) from Valencia Road (Shawnee County) to K-30 (Wabaunsee County) will be **CLOSED one day only** for median crossover resurfacing work on **Friday, June 7 between 7:00 a.m. and approximately 5:00 p.m. that same day, weather permitting.**

Traffic will be directed through the project work zone via cones and signage. Advance message boards will alert drivers to the lane closures. Drivers should expect major delays during peak travel times.

NOTE: When the median crossover resurfacing work is completed that day, the westbound I-70 left lane will be **reopened** to all traffic, however, the eastbound I-70 left lane will **remain closed** as crews continue the resurfacing work on eastbound I-70. These daytime lane closures are part of the work on the eastbound I-70 resurfacing project that is scheduled for completion in late June 2013, weather permitting.

Updated daily lane closure information for the Topeka/Lawrence Metro Areas can be viewed online: www.ksdot.org/topekametro/laneclose.asp.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone.
