## U.S. 24 project underway in Shawnee County

A milling and overlay project is underway on U.S. 24 in Shawnee County. The work covers approximately 4.5 miles, west from Country Side Road in Topeka to the eastern city limits of Silver Lake.

According to the Kansas Department of Transportation, traffic will be restricted to one lane in the work zone and will be directed by a pilot car, flaggers, signs, and cones. Drivers should plan for delays of up to 15 minutes.

Work will occur Monday through Saturday during daylight hours. Expected completion is early June, weather permitting.

Bettis Asphalt & Construction, Inc., of Topeka, is the contractor on the \$1.17 million project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to [www.kandrive.org](http://www.kandrive.org) or call 5-1-1.
