I-470, I-70 ramp closures scheduled in Topeka

The Kansas Department of Transportation has scheduled ramp closures on I-470 and I-70 in Topeka. Motorists should plan for the following:

- **Friday, Sept. 8** – The eastbound I-470 on- and off-ramps for S.W. Topeka Boulevard will be closed while bridge repair work is done. The closure will be in place from **9 a.m. to 3 p.m.**, or until work is complete.
- **Tuesday, Sept. 12** – The westbound I-70 exit ramp to S.E. 10th Avenue will be closed from approximately **4 a.m. to noon** while overlay work is done on S.E. 10th Avenue.

All work is weather permitting. The closures will be marked by barricades, signs and cones. No detours will be posted, and motorists will need to use alternate routes.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of highway construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
