

**KANSAS DEPARTMENT OF TRANSPORTATION
SPECIAL PROVISION TO THE
STANDARD SPECIFICATIONS, EDITION 2007**

REQUIRED ATTENDANCE - PRE-BID CONFERENCE

The Contractor's bid will be declared irregular if the Contractor or an authorized employee of the firm does not attend all pre-bid conferences scheduled for this project.

It will be the Contractor's sole responsibility that the Contractor or an authorized employee of the firm signs the attendance sheet available at the pre-bid conference.

If a Contractor is unable to attend the pre-bid conference for any reason beyond the Contractor's control, notify the Kansas Department of Transportation, Bureau of Construction and Materials (telephone number 785-296-3576) or the District Construction Engineer in which the project is located prior to the pre-bid conference.

If KDOT agrees that the Contractor's reason for not attending is beyond the Contractor's control, the Contractor is excused from attending the scheduled pre-bid conference. However, immediately arrange for another pre-bid meeting with the District Construction Engineer at the District Office to:

- sign the attendance sheet; and
- discuss the minutes of the initial pre-bid conference.

This meeting is mandatory and the Contractor will not be allowed to bid on the project without attending this meeting. The attendance sheet will be posted as part of an Addendum on KDOT's web site: <http://www.ksdot.org/burconsmain/contracts/proposal.asp>.

Prior to the scheduled pre-bid conference, Contractors are encouraged to submit all questions or comments to the District Construction Engineer or the Bureau of Construction and Materials so KDOT can prepare appropriate responses for the conference.

The pre-bid conference is scheduled for this project at:

Time: _____

Date: _____

Location: _____
