SECTION 1501

HOT JOINT SEALING COMPOUND

Page 1500-2, subsection 1501.4b. Delete this subsection and replace with the following:

b. Results of testing from the AASHTO National Transportation Product Evaluation Program (NTPEP) will be accepted in lieu of the sample requested above. Include the most recent NTPEP test report along with the other documentation requested. Include evidence that the product being offered is identical to the one reported in the NTPEP report.

Page 1500-2, subsection 1501.4. Add a new subsection as follows:

c. The material will be evaluated for compliance with this specification, and the manufacturer will be notified of the results. The Bureau of Materials and Research will maintain a list of qualified materials. Products will remain on the prequalified list as long as the results of batch testing and field performance are satisfactory. Report any changes in formulation to the Engineer of Tests for review and evaluation to determine if requalification is necessary.
