

KDOT Innovative Technology Program

Application Form – FY 2022

A. APPLICANT INFORMATION

1. Primary project sponsor: Governmental Organization Non-governmental Organization

Name of organization:

Address:

Website (if available):

2. Primary contact person—should be an elected official, employee or representative of the primary project sponsor

Name:

Title:

Address:

Phone number:

Email:

3. Co-sponsor (if applicable): Governmental Organization Non-governmental Organization

Name of organization:

Mailing Address:

Website (if available):

4. Secondary contact person—should be an elected official, employee or representative of the co-sponsor

Name:

Title:

Address:

Phone number:

Email:

5. Is there a private business or other entity involved in the project? Yes No

Name of business or other entity:

Name of contact:

Title:

Address:

Phone number:

Email:

6. Does this project include a railroad? Yes No

If yes, name of railroad company:

Name of contact:

Title:

Address:

Phone number:

Email:

KDOT Innovative Technology Program

Application Form – FY 2022

B. PROJECT INFORMATION (attach additional documents as needed)

1. Proposed Project title:

2. Project scope and description—describe the objectives and major milestones this project:

3. Gap analysis -- Describe the significance of need for this project with respect to the region, state or local transportation systems, and why Innovative Technology Program funds are needed:

4. Benefits of the project—describe the nature of the transportation benefits that could result from the project (i.e. safety improvements, economic impacts, multi-modal enhancements, retain or recruit business, promote job growth, etc.):

KDOT Innovative Technology Program Application Form – FY 2022

B. PROJECT INFORMATION continued (attach additional documents as needed)

5. Project details

- a. Project location/address (attach map):
- b. Project length (in miles or feet):
- c. Current average daily traffic volumes (if applicable):
- d. Project limits (mile posts, intersecting roadways, other boundaries):

- | | | |
|-------------------------------------------------------------------------|-----|----|
| e. Will this project require right-of-way acquisition or any easements? | Yes | No |
| f. If yes, do you have a letter-of-support from the property owner? | Yes | No |
| g. Are any other funds involved with this project? | Yes | No |
| h. If yes, please explain the source, amount, and conditions: | | |
| a. Funding source: | | |
| b. Amount: | | |
| c. Conditions: | | |

- i. Does this project create future funding opportunities? (federal, state, local, etc.) Yes No
If yes, please explain:

- j. Are funding and support for continuing operations and maintenance for the project secured?
Yes No
Please explain:

KDOT Innovative Technology Program Application Form – FY 2022

k. Is this an active project? Yes No
 If yes, please describe the extent of work in progress or completed:

C. PROJECT COST ESTIMATES (attach additional documents as needed)

Note: KDOT's Innovative Technology Program funds will only be provided at a maximum of 75%. A minimum 25% non-state cash match is required. Non-cash matches will not be considered. Additional consideration will be given to project applications that commit more than the minimum requirement. KDOT funding can only be used for construction and procurement costs.

Non-Participating Costs	KDOT	Local	Other (if applicable)	Total
1. Preliminary Engineering/Design	\$	\$	\$	\$
2. Right-of-Way Acquisition	\$	\$	\$	\$
3. Utility Adjustments	\$	\$	\$	\$
4. Procurement	\$	\$	\$	\$
5. Other	\$	\$	\$	\$
6. Construction/Installation	\$	\$	\$	\$
7. Ongoing Operations/Maintenance	\$	\$	\$	\$
Total Cost Estimates	\$	\$	\$	\$

F. STATEMENT of INTENT

Note: The authorized person for the application must read, agree, and sign the statement below for this to be considered an official application.

As the Project Sponsor, or as an authorized representative of the Project Sponsor, I hereby submit this Application to the KDOT Innovative Technology Program. I represent that the information and financial data contained herein and attached hereto are true and correct to the best of my knowledge. I understand that the following conditions apply to this Application:

- Additional information may be requested;
- I authorize the Kansas Department of Transportation to independently verify any information contained in this Application; and
- Acceptance and consideration of this Application does not constitute commitment for financial assistance by the State of Kansas.

I assure that this project will be constructed in accordance with the KDOT Innovative Technology Program and all applicable Kansas laws.

I assure that all work performed, and all material furnished for the project shall be in reasonable conformity with the plans, specifications, and any authorized revisions thereto, which have been approved by the designer of the approved projects.

If the project is approved, I will provide written assurance that:

1. If the project involves construction, the project will be designed by a licensed professional engineer.
2. If the project involves software or technology infrastructure, this portion of the project will be designed by a certified professional.
3. All revisions and/or deviations from the plans and specifications will be approved by the project's designer.
4. The project will be inspected by a certified inspector when the project is open to unrestricted traffic/access and at the time of final acceptance.
