Pavement marking project underway in Cloud County

The Kansas Department of Transportation has begun a pavement marking project in Cloud County. The project will begin at the north city limits of Concordia and continue north approximately 2.4 miles on U.S. 81. Work is expected to be completed in early August, weather permitting.

Traffic will be carried through construction and reduced to one lane at the location where the contractor is actively working.

Twin Traffic Marking Corporation of Kansas City is the prime contractor on the \$124,411 project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1.
