Traffic sign project on U.S. 50, K-61 in Reno County to begin soon

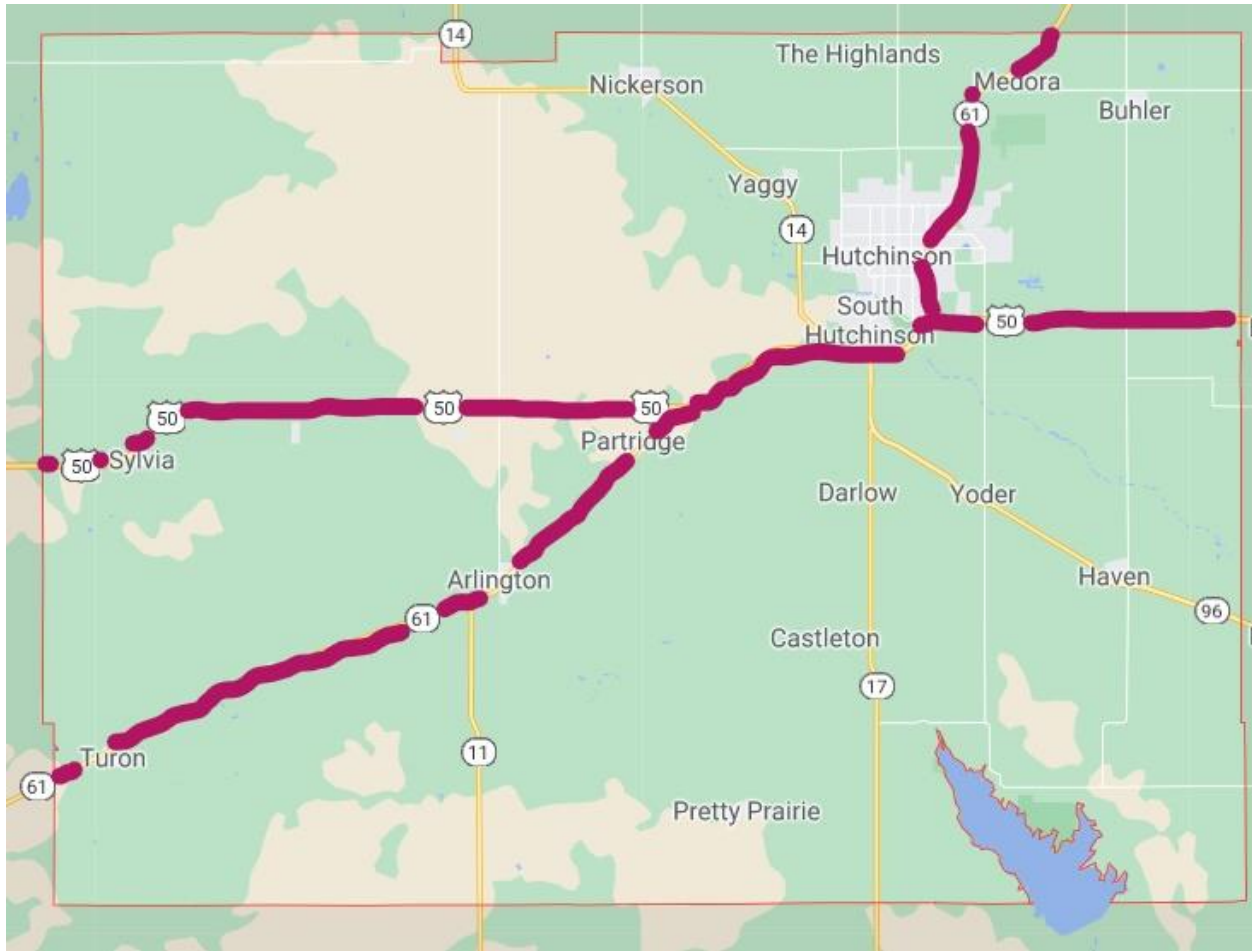

A Kansas Department of Transportation project to replace traffic signs along U.S. 50 and K-61 in Reno County is expected to start around June 28.

The length of the sign project is almost 67 miles. The work is expected to have minimal impact on traffic.

Depending on the weather, the work is scheduled be completed around mid-September.

Martin Outdoor Enterprises Inc., of Pittsburg, is the contractor for the \$419,995 project.

The map below shows U.S. 50 and K-61 in Reno County. The sign work will occur at various locations along those routes.
