K-244 crack seal in Geary County

Beginning Monday, Mar. 8, the Kansas Department of Transportation will begin a crack seal operation on K-244 in Geary County. Work on K-244 will occur between K-57 and Milford Lake Road for approximately 3.94 miles. (See attached map.)

A pilot car will direct one lane of traffic through construction. Drivers should be prepared for a delay of up to 15 minutes and plan extra time in their travel schedules.

Pavement Pros of McPherson is the prime contractor and have scheduled this project to be completed by March 19, weather permitting, at a cost of \$33,639.

KDOT urges all motorists to be alert and obey the warning signs when approach and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1.
