# KDOT to close K-58 bridge in Coffey County

The Kansas Department of Transportation plans to close the K-58 bridge over Crooked Creek in Coffey County this Friday, Nov. 12, weather permitting. The bridge is located one mile east of Leroy.

The closure is necessary for repair work on the bridge deck surface. Eastbound K-58 traffic will follow the signed detour south on U.S. 75, then east on U.S. 54 at Yates Center and north on U.S. 169 at Iola back to K-58. Westbound traffic will follow this same detour in the opposite direction. The bridge will be closed for 4 to 5 weeks.

PCI Roads, of St. Michael, Minn., is the contractor on the \$170,000 project.

Check KDOT's updated traveler information website, [www.Kandrive.org](http://www.Kandrive.org), for more road condition and construction details. Persons with questions about this may call Area Engineer Troy Howard at (620) 901-6555.
