Crack repair to start on U.S. 50 northeast of Newton

Crack repair on U.S. 50 northeast of Newton will begin soon.

The Kansas Department of Transportation project will be on U.S. 50 from the northeast side of Newton northeast to the Harvey/Marion County line. The length is almost 12 miles.

During the work, expected to begin around Monday, Sept. 27, and end around Nov. 6, traffic will be restricted to one lane and controlled by a pilot car and flaggers. Motorists should be prepared to slow down and stop and face delays of up to 15 minutes.

R.A. Knapp Construction Inc., of Lenexa, is the contractor for the \$333,717 project.

The map below shows the approximate project location.
