US-36 crack seal beginning today in Washington County

The Kansas Department of Transportation has begun a crack seal operation on US-36 beginning at the US-36/K-148 junction and continuing east to the Washington/Marshall county line; approximately four miles.

Traffic will be carried through construction and reduced to one lane during daylight hours only.

Pavement Pro's LLC of McPherson is the prime contractor and have scheduled this project to be completed by November 1, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1.
