Construction Activity

US-56: (Gardner KS) Thursday-Friday

Eastbound and Westbound will have one lane closed in each direction from **Old** US-56 to the I-35 Interchange between the hours of 9A-6P for Striping operations. Work is expected to be completed on Friday, July 21, 2017.

I-435: (Night work) Thursday-Friday

A lane reduction and short closure is scheduled on a stretch of I-435 to reset a message board over the roadway, according to the Kansas Department of Transportation.

Southbound I-435 just south of the Shawnee Mission Parkway interchange will have one lane reduced. The on-ramp from Midland Drive to southbound I-435 will be closed Thursday July 20, 2017 at 10 p.m. A second lane of I-435 will be reduced at 11 p.m. At midnight, southbound I-435 will be fully closed to traffic for five minutes to remove the message board. The ramp will be re-opened after this, and I-435 will be open to normal traffic by 5 a.m. Friday July 21, 2017.

Ramp Closure from Quivira to I-435 Eastbound: Thursday

The Kansas Department of Transportation will be closing the ramp from Quivira to Eastbound I-435 on Thursday, July 20, from 9 a.m. until 3 p.m. This is to complete striping and signing for a traffic shift onto new concrete pavement. There will be message boards out to advise the public to use College Blvd. to Antioch Rd. to access eastbound I-435.

I-35: (Night Work) Thursday-Friday

Northbound will have the Right lane closed from Metcalf to Lamar between the hours of 11P Thursday July 20, 2017 until Friday July 21, 2017 at 5A for the Setting of Radar poles.

Long-Term Closures

24/7 LANE CLOSURES:

Eastbound and westbound I-435 from west of U.S. 69 to east of Metcalf Avenue will be reduced to three through lanes of traffic for pavement replacement work beginning on Sunday, March 5, 2017, through mid-November 2017. Eastbound I-435 traffic wishing to access Antioch Road and Metcalf Avenue exits must stay in the outside right lane. Project construction will be phased and is scheduled to be completed in two construction seasons 2017-2018. Project work is scheduled to be completed in November 2018.

WYANDOTTE COUNTY

Daily Closures (Weather Permitting) (These closures will go up and come down all in one day, usually rush hour to rush hour)

Maintenance

Northbound US-69(18th Street Expressway) will be reduced to one lane at the Kansas River Bridge for bridge inspection from 9:00 AM to 3:00 PM. This closure will be in effect through Thursday, July 20, 2017.

I-435 Pavement Marking Project

Northbound and Southbound I-435 will have various lane closures from the Kansas River to the Missouri River for pavement marking replacement. Lane Closures will be between 7:00 PM and 5:30 AM Sunday Night through Saturday Morning every week. I-435 will be reduced to two lanes at 7:00 PM and one lane at 8:00 PM. All ramp closures will take place between 10:00 PM and 5:30 AM. These closures will be in effect through late October 2017.

Wyandotte County Pavement Marking Project

Westbound I-70 will be reduced to two lanes starting at 7:00 PM from State Line to the I-670/I-70 Split. The same area will be reduced to one lane from 8:00 PM to 5:30 AM. These closures are for pavement marking replacement. Lane closure will take place between the times noted above Monday Night through Thursday Morning. This closure will be in effect through Thursday, July 20, 2017.

Intermittent Ramp Closures on Westbound I-70 between State Line and I-670/I-70 Split from 10:00 PM to 5:30 AM for Pavement Marking replacement. Lane closure will take place between the times noted above Monday Night through Thursday Morning. This closure will be in effect through Thursday, July 20, 2017.

Long-Term Closures (Weather Permitting)

I-70 from 110th St to K-7

Eastbound and Westbound I-70 will be reduced to two lanes from just East of 110th St to K-7 for pavement reconstruction. This closure will be in effect through mid-August 2017.

Ramp for Westbound I-70 to Northbound K-7 will be closed for pavement reconstruction on I-70. This closure will be in effect through mid-August 2017.

LEAVENWORTH COUNTY

Daily Closures (Weather Permitting) (These closures will go up and come down all in one day, usually rush hour to rush hour)

None

Long-Term Closures (Weather Permitting)

New Army Reserve Facility South of Tonganoxie

Eastbound and Westbound US 24/40 for roughly one half mile, one and half miles south of K-16, will be restricted to one 10-foot lane in each direction at the new army reserve facility south of Tonganoxie. The closure will be in effect until Friday, August 11, 2017.
