

Daily Traffic Information for Saturday-Monday, April 21-23, 2018

All planned closures and scheduled work are Weather Permitting and subject to change.

JOHNSON COUNTY Daily Closures

Maintenance Activity

Construction Activity-Short Term

US-169 (Rainbow Blvd) 24/7 Storm sewer pipe lining Work
Project # 169-46 KA 4267-01:

Northbound traffic on US-169 (Rainbow Blvd.) will be restricted to one lane for the duration of the project which is expected to last about three weeks until Mid May 2018. Eastbound access to sideroads from US-169 within the lane closure will be intermittently restricted. There will be no signed detours. (Nathan J)

I-35: Monday Night-Tuesday Morning 4/23/18 -4/24/18 KA 4110-03 NIGHT WORK

Southbound will have intermittent lane closures between 75th Street to Miami County Line between the hours of 8PM-5AM for Sign Replacement (M-Th). The exit ramp from southbound I-35 to K-7/US-169 Highway will be closed intermittently between the hours of 8PM-5AM. (Nathan J)

I-435, Quivira Rd to Metcalf Ave Project #435-46 KA-3993-01

Friday 4 /20/18-Monday 4/23/18

8:00pm close the ramp from NB US69 to WB I-435 until Monday 5:00am (pavement work)
8:00pm close the ramp from WB I-435 to SB US69 until Monday 5:00am

Construction- Long-Term Closures

I-435 Westbound pavement work to start Mar. 5, 2018 -November 16, 2018

KA 3993-01

Work will soon begin on the westbound lanes of I-435 from Quivira Rd. to Metcalf Ave. During the paving project, lanes will be shifted and traffic in both directions will be reduced to three through lanes. The paving is part of a two-year T-works project to improve I-435 in Johnson County, one of the most heavily traveled sections of roadway in the state. Prep work is set to begin Mar. 5 with repair work planned for mid-March until mid-November, 2018.

Long-term traffic impacts

Monday, Mar. 12 to a tentative date of mid-November. 2018

- I-435 eastbound will be reduced to three through lanes
- I-435 westbound will be reduced to three through lanes
- Additional lane shifts and temporary closures will be required as work progresses

Detours:

Drivers should expect traffic delays on I-435 during the construction period, especially during rush hours and should allow more travel time to go through the construction area. Drivers who normally use I-435 should consider using College Blvd. or 103rd St. for local travel.

During the paving project, two westbound lanes will be paved at a time. As the project progresses, westbound traffic will be shifted to re-open sections and close a new section for work. Additional temporary closures may be required to shift lanes.

WYANDOTTE COUNTY

Daily Closures (Weather Permitting) (These closures will go up and come down all in one day, usually rush hour to rush hour)

US-69/ 18th St Expressway Bridge Repair
