Utility Work

I-35 at Clare Road to have short-term closure Sunday, May 28, 2017

A section of I-35 near Clare Road, which is just north of the I-35/175th Street interchange, will be closed to traffic on Sunday, May 28, weather permitting.

According to the Kansas Department of Transportation, the closure will start about 5:45 a.m. and last for approximately 30 minutes to allow for overhead power lines to be pulled across the highway.

Traffic will be stopped with no detours provided. Motorists are encouraged to use an alternate route during this time.
