Construction

Long-Term Closures

US-169 & 175th St

Various shoulders throughout the intersection of US-169 and 175th street will be intermittently closed for Traffic Signal work. These closures will be during day light hours until work is completed.

Both northbound and southbound US-169 at 175th Street will be reduced to one lane for Traffic Signal work. These closures will be from 9:00 AM to 3:00 PM daily, beginning Wednesday 10/25/17 through Friday 10/27/17.

All project work is scheduled to be completed in Mid-October 2017. (Ron H/Ravi B)

I-435: 24/7 LANE CLOSURES:

Eastbound and westbound I-435 from west of U.S. 69 to east of Metcalf Avenue will be reduced to three through lanes of traffic for pavement replacement work beginning on Sunday, March 5, 2017, through mid-November 2017. Eastbound I-435 traffic wishing to access Antioch Road and Metcalf Avenue exits must stay in the outside right lane. Project construction will be phased and is scheduled to be completed in two construction seasons 2017-2018. Project work is scheduled to be completed in November 2018. (Kevin K)
