$884,292 project to repair Whitewater River bridges near Augusta

Beginning around May 11, crews will be repairing bridges over the Whitewater River just west of Augusta.

During the work, traffic will flow through a single lane across each bridge, and the lane width will be restricted to 11 feet.

The work is tentatively scheduled to be completed around Aug. 21.

The Kansas Department of Transportation is overseeing the project.

Bridges Inc. of Newton is the main contractor for the $884,292 project.
