Maintenance to begin next week on K-32 Turner Diagonal bridge

According to the Kansas Department of Transportation (KDOT), bridge joint work and pavement patching on the K-32/Turner Diagonal bridge, over the Kansas River in Wyandotte County, will begin Monday, August 16, weather permitting.

Work will occur Monday to Friday, and Saturdays, as necessary, from 7 a.m. to 5 p.m. The project is expected to be completed in mid-October.

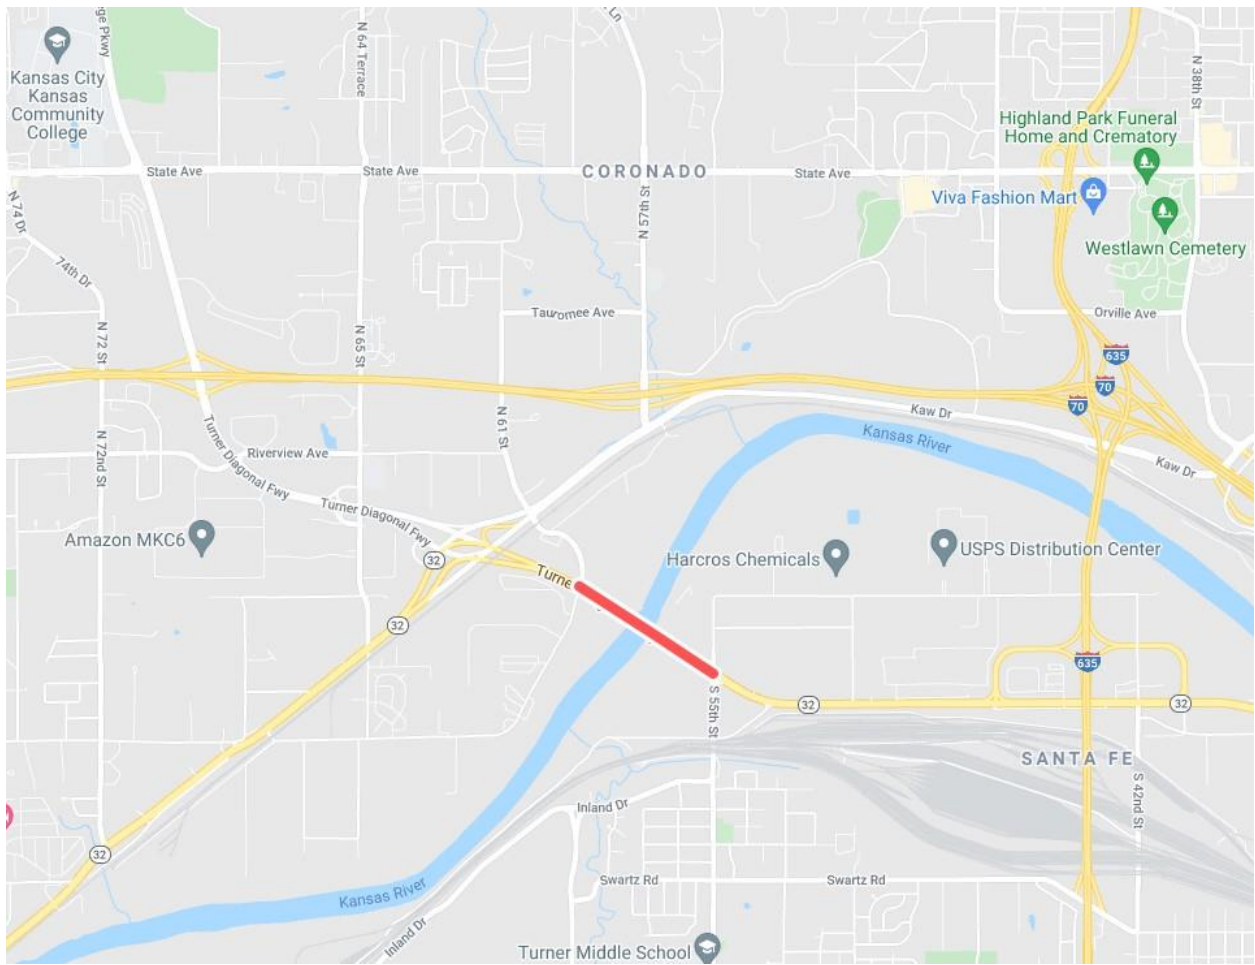

K-32 traffic from 55th Street to 59th Lane will have one lane of traffic open in either direction for the duration of the project.

Traffic will be controlled using concrete safety barriers, digital message boards, temporary pavement markings and traffic cones.

PCI Roads, LLC, of Saint Michael, Minn., is the contractor for the \$528,000 project.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas go to www.kandrive.org or call 5-1-1. Drive safely and always wear your seat belt.

Map below shows project location.
