

Vision, Mission and Values

Vision

Kansas will be a national transportation leader with a modern, efficient, and resilient system that serves all users, businesses, and partners.

Mission

To provide a safe, reliable, innovative statewide transportation system that works for all Kansans today and in the future.

Values

Safety: We take care of our employees and the public by practicing safe processes and prioritizing safe systems.

Innovation: Our culture fosters creative problem solving and continuous improvement

Customer Service: Outstanding customer service is ingrained in all our work

Money Matters: We make decisions to get the most value and best performance for taxpayer money.

Teamwork: Our work is formed by and made better from our relationships with those outside and inside our organization.

Transparency and Accountability: Built on a foundation of accountability, our practices and processes are transparent, easy to understand and easily accessible to our customers.

Goals

Safety and Security: Enhance the safety and security of the transportation system for all users and workers.

Transportation System Management: Maximize performance of the existing system by investing in transportation choices and smart assets.

Asset Preservation: Address risks and maintain assets through investments that provide high value return and make the best use of limited funds.

Economic Vitality: Improve reliability and increase flexibility for cost-efficient movement of people, goods and information to bolster the Kansas economy.

Stewardship: Continuously improve the quality of the transportation system and surrounding communities through strong partnerships and focused, lower cost and higher value improvements.

Workforce: Get the best from our workforce by attracting and retaining talent, modeling diversity, supporting professional development and inspiring action.
