Wichita teen wins Put the Brakes on Fatalities Day poster contest

Thirteen year-old Scarlett Do of Wichita is one of three south central Kansas winners in the 2022 Put the Brakes on Fatalities Day poster contest, sponsored annually by the Kansas Department of Transportation and other traffic safety organizations.

Scarlett is the daughter of Frank and Maureen Do. She is homeschooled.

Contest winners receive a bicycle from the Kansas Turnpike Authority and a helmet from Safe Kids Kansas.

Scarlett's poster was also selected as the statewide winner in the 11 to 13 age category. Statewide winners receive a Kindle Fire tablet from the KTA, a \$50 gift card from the Fuel True/Independent Energy and Convenience and movie passes from AAA Kansas. In addition to these prizes, the student's school, class or booster club will receive \$200. She chose her homeschool group at Blessed Sacrament Catholic Church to receive the donation.

The idea of the contest is getting children to think about traffic safety and to present those ideas on posters. A total of 497 children in Kansas, ages 5 to 13, participated this year. Brooklyn won in the regional category for kids ages 5 to 7.

Put the Brakes on Fatalities Day is a nationwide initiative to improve traffic safety and decrease traffic deaths.
