Field survey set K-254: Survey on K-254 from Woodlawn Road to 127th Road

A field survey is expected to begin around Tuesday, Sept. 5, for the proposed improvement on K-254 from Woodlawn Road to 127th Road, including surveying north and south 4000' on Rock Road, Webb Road, and Greenwich Road in Sedgwick County.

This field survey -- to gather information needed for the detailed design of the proposed improvement -- is estimated to be completed by Feb. 1.

A member of the survey crew first will contact property owners and/or tenants for permission to enter private property. Survey activities will include the use of survey instruments on the ground to determine locations of existing features within the survey corridor.

Brandon Espinosa, P.S., Senior Project Manager, SAM, will be in charge of this survey for the Kansas Department of Transportation.
