Southbound I-135 ramp to eastbound K-96 open

The Kansas Department of Transportation has reopened the southbound I-135 ramp to eastbound K-96 in Wichita.

Recent weather caused washouts under the structure of the southbound I-135 ramp to eastbound K-96. The ramp was closed as a precautionary measure. The recent rain had caused the soil to become oversaturated. It was able to be shored up and filled with flowable fill.

For updated information on this and other KDOT highway projects and road conditions across the state, go to www.kandrive.gov.
