Dear Secretary LaHood:

I am pleased to forward to you the Kansas Department of Transportation's certification for two Kansas projects that are included in the "Kansas City Transit Corridors and Green Impact Zone Project." The project was awarded to the Kansas City Mid-America Regional Council, the Kansas City Area Transportation Authority, Johnson County Kansas and Wyandotte County, Kansas in February 2010 as one of the nation's Transportation Investment Generating Economic Recovery (TIGER) Grants funded under the American Recovery and Reinvestment Act.

Pursuant to Title XV, Subtitle A, Section 1511 of the ARRA (Pub. L. 111-5, Feb. 17, 2009), I hereby certify that the attached investments funded with amounts appropriated by ARRA under the heading "Supplemental Discretionary Grants for a National Surface Transportation System," have received the full review and vetting required by law and that I accept responsibility that such investments are an appropriate use of taxpayer dollars.

I further certify that the specific information required by Section 1511 concerning each investment (a description of the investment, the estimated total cost and the amount of ARRA funds to be used) is provided in the Kansas Statewide Transportation Improvement Program, available on the Kansas Department of Transportation's recovery page, <http://www.ksdot.org/EconomicStimulus.asp>. The page is linked to www.recovery.gov for purposes of transparency and accountability.

I understand that my State may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Sincerely,

Mark Parkinson
Governor of Kansas
