Anderson Road south of US-50 will temporarily close again

Anderson Road south of US-50 will be closed again on Monday, July 22 at 5 PM, to pour the concrete bridge deck for the US-50 interchange bridge. Anderson Road is scheduled to reopen on Tuesday, July 23 around 2 PM, depending on delays due to adverse weather conditions. Anderson Road north of US-50 will remain open and will not be affected by this closure.

Anderson Road will continue to have additional intermittent short term and long term closures in the future to accommodate the construction of the US-50 & Anderson Road interchange; which will include construction of two US-50 bridges over Anderson Road, interchange ramps, and the Anderson Road roundabout.

King Construction Co., Inc., from Hesston is the prime contractor for this $21,760,553.04 project, which is funded by T-WORKS, the transportation program passed by the Kansas Legislature in May 2010. For more information about T-WORKS projects and funding visit the website, www.ksdot.org/tworks.
