FOR IMMEDIATE RELEASE

For Tuesday, November 24, 2009 – Shawnee County

I-470

Beginning Tuesday, November 24, the pavement repair project on I-470 is on WINTER SHUTDOWN until early April 2010! On Monday, September 28, a concrete pavement repair project began on I-470 and I-70 in Topeka. Repair work will first begin on eastbound I-470 then move to westbound I-470. Repair work has been completed on eastbound I-470. The I-470 project portion extends for 2 miles from 21st Street east to Gage Boulevard.

In spring 2010, repair work will take place on westbound I-470 and the move to the I-70 portion that extends 3.3 miles from just west of Urish Road to Danbury Lane and also from just east of Carnahan Avenue to the Kansas Turnpike Authority east toll booth plaza. Project work is scheduled to be completed by October 2010.

There will be no traffic impacts on I-470 during the winter shutdown between November 24, 2009, and March 28, 2010.
