

HIGHWAY ACCESS MANAGEMENT PLAN

City of Seneca

Nemaha County

Kansas Department of Transportation

Public Open House

Tuesday, December 1
4:30 to 6:30 p.m.

Seneca Public Library
606 Main Street

The City of Seneca, Nemaha County, and the Kansas Department of Transportation have partnered to create a **US-36 Highway Access Management Plan.**

The primary objective for the plan is to develop a strategy that will allow US-36 to remain a **safe and efficient** highway corridor.

Drop by any time during the evening open house, where you will be able to view project displays and provide us with your comments on the **US-36 Highway Corridor!**
