K-92 Closure Scheduled for Centennial Bridge Inspection in Leavenworth County

Weather permitting, beginning on **Monday, June 8**, routine bridge inspection work will begin on K-92 over the Centennial Bridge in Leavenworth County. K-92 over the Centennial Bridge will be closed to all traffic **on Monday, June 8, beginning at 8:30 a.m. and will reopen to all traffic by 2:30 p.m. the same day**, weather permitting. Equipment used by the inspectors for the hands on inspection of the bridge requires the roadway closure due to the size of the equipment. No marked detours will be provided, so drivers will need to find alternate routes during the bridge closure.

Then on **Tuesday, June 9, through Tuesday, June 16**, the bridge will be reduced to one lane (eastbound lane closed) and all traffic will be directed across the bridge in the westbound lane via a flagging operation. The lane closure will begin at 9:00 a.m. and will reopen to all traffic at 3:00 p.m. each day, weather permitting.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone. For more information on this bridge inspection project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340.
