Lane Closures Scheduled for Donahoo Road & I-435 Interchange Project in Wyandotte County

Weather permitting, beginning on **Monday, April 28**, both northbound and southbound I-435 at Donahoo Road will be reduced to two lanes for construction of entrance and exit ramps for the new interchange project at I-435 and Donahoo Road in Wyandotte County. The scheduled completion date for this phase of construction is mid-summer 2008.

I-435 traffic will be directed via signage through the project work zone. Donahoo Road is still closed between 99th Street and Hutton Road and will remain so throughout the duration of the project. Access to Donahoo Road will continue to be maintained for local businesses and property owners.

Drivers will experience minimal delays on I-435 during this phase of the construction project. Updated daily lane/ramp closure information for this interchange project can be viewed online at: www.ksdot.org/kcmetro/laneclose.asp.

APAC Kansas, Inc.-Kansas City Division, is the primary contractor for this new interchange project with a total contract cost of \$11,000,000. The scheduled completion date for the entire project is early fall 2008.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the project work zone. For more information on this new interchange project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 296-3881, or Amy Pope, Bonner Springs Construction Engineer, at (913) 721-2754.
