Northbound I-35 to Eastbound I-435 Ramp to Briefly Close for Repair Work in Johnson County

Weather permitting, on Friday, January 25, the northbound I-35 to eastbound I-435 ramp will briefly close for repair work on the ramp. Crews will work to repair a pothole located in the center of the roadway surface. The ramp will close at 9:00 a.m. and will reopen to all traffic at 11:00 a.m. the same day.

Advance message boards will alert traffic to the ramp closure. There will be no marked detours. During the temporary ramp closure, drivers should expect major delays and are advised to use alternate routes, if possible.

The Kansas Department of Transportation urges all motorists to be alert, obey the warning signs, and "Give 'Em a Brake!" when approaching and driving through the work zone. For questions or additional information, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 640-9340 or Troy Whitworth, Area Superintendent, at (913) 764-0987.
