Northbound and Southbound I-35 Lane Closures Scheduled for Saturday, January 26 in Johnson County

Weather permitting, on Saturday, January 26, the right two southbound lanes and the left northbound lane on I-35 will be closed at Johnson Drive in Johnson County for KC Scout utility work. The southbound I-35 lanes will close just before Johnson Drive and the northbound I-35 lane will close just past Johnson Drive. The lanes will close at 6:30 a.m. and will reopen to all traffic at 12:00 p.m. the same day. This utility work is part of a sign repair project for the KC Scout traffic management system.

During the temporary lane closures, drivers should expect major delays and are advised to use alternate routes, if possible.

For more information on this repair project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager at (785) 640-9340. For more information on the KC Scout traffic management system, please visit KC Scout online at www.kcscout.com.
