State Park Road to Close in Johnson County for Culvert Replacement Project

Weather permitting, on **Monday, July 28**, both northbound and southbound State Park Road in the city of Fairway in Johnson County will close for a culvert replacement project. State Park Road will be closed from just south of US-56/Shawnee Mission Parkway to Falmouth Road in Fairway. Crews will work daily Monday through Friday during daylight hours, with some occasional Saturday work.

Workers will replace the culvert located under US-56/Shawnee Mission Parkway. Additional project work will include excavation, storm sewer replacement, and channel protection.

A marked detour will be provided. Traffic will detour via US-56/Shawnee Mission Parkway to Belinder Street to State Park Road. Local access will be provided throughout the project duration. Drivers should expect minor delays and are advised to use alternate routes, if possible.

Clarkson Construction Company is the primary contractor on this \$1.95 million culvert replacement project. The scheduled completion date for the entire project is late fall 2008.

For more information on this culvert replacement project, please contact Kimberly Qualls, Northeast Kansas Public Affairs Manager, at (785) 296-3881 or Ruben Noguera, Field Engineering Administrator, at (913) 764-4525.
