KDOT opens fourth ramp on the U.S. 169/U.S. 160 interchange

The Kansas Department of Transportation (KDOT) has opened the fourth ramp at the new U.S. 169/U.S. 160 interchange in Montgomery County. The ramp connects southbound U.S. 169 to westbound U.S. 160.

KDOT started construction in April 2019 to convert the intersection at the north junction to a grade-separated interchange. King's Construction of Oskaloosa is the primary contractor on the \$12 million project.

Drivers are reminded to slow down and use caution as the contractor completes work at the interchange. KDOT is deactivating the detour route on U.S. 400 and U.S. 75.

Persons with questions may contact KDOT Public Affairs Manager Priscilla Petersen, (620) 902-6433.
