U.S. 69 resurfacing project begins June 5

The Kansas Department of Transportation (KDOT) expects to begin a resurfacing project on U.S. 69 between Columbus and Crestline on Friday, June 5.

The work includes a surface recycle and ultrathin asphalt bonded surfacing.

Flaggers and a pilot car will direct one-lane traffic through the work zone during daylight hours; expect delays of 15 minutes or less.

The resurfacing project should be finished in one month, weather permitting.

KDOT awarded the \$1.3 million construction contract to Bettis Asphalt & Construction, Inc., of Topeka.

Drivers are reminded to obey the signs and flaggers, and to slow down in the work zone. Persons with questions may contact Bob Gudgen, (620) 308-7621, or Priscilla Petersen, (620) 902-6433.
