I-35 pavement patching project begins this week

The Kansas Department of Transportation (KDOT) expects to begin a project to patch concrete pavement on northbound I-35 at the Tequa Creek Bridge this week, weather permitting.

The bridge is located one mile north of the Osage-Franklin county line. Northbound traffic will be reduced to one lane at the work zone.

KDOT awarded the \$53,390 construction contract to R.A. Knapp Construction, Inc., of Kansas City, Kan. Persons with questions may contact KDOT Construction Engineer Troy Howard, (785) 433-6116, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
