**KDOT repairing slide along I-35**

The Kansas Department of Transportation (KDOT) has begun a project to repair a slide along I-35 in Osage County. The project is located approximately 1½ miles northeast of the Coffey/Osage county line, at Coal Creek.

Northbound I-35 traffic is restricted to one lane at the work zone during daylight working hours. KDOT awarded the project contract of $347,563 to Bettis Asphalt & Construction, Inc., of Topeka. Weather permitting, the work should be completed by autumn 2014.

This preservation project is funded under the T-WORKS transportation program. Those with questions may contact KDOT Garnett Area Construction Engineer Donna Schmit at (785) 448-5446, or KDOT Southeast District Public Affairs Manager Priscilla Petersen, 1-877-550-5368. For more information concerning T-WORKS projects visit the website, [www.ksdot.org/tworks](http://www.ksdot.org/tworks).
