Bridge repair on K-39 begins this week

The Kansas Department of Transportation (KDOT) has started a project to repair a damaged pier at the Neosho River Bridge on K-39 east of Chanute.

The contractor will build a causeway to the pier and all work will take place underneath the bridge. K-39 traffic will not be affected.

KDOT awarded the construction contract of \$38,427 to B & B Bridge Company, LLC, of St. Paul. The bridge repair is expected to be finished in two weeks, weather permitting.

Persons with questions may contact KDOT Area Engineer Darrin Petrowsky at (620) 901-6557, or Public Affairs Manager Priscilla Petersen, (620) 902-6433.
