## Rick Carr retiring from KDOT

Richard “Rick” Carr, an Equipment Operator at the lola office, is retiring from the Kansas Department of Transportation (KDOT) following 12 years of dedicated service to the agency. Co-workers, family and friends will join Carr to celebrate his career and wish him well during a 9:00 a.m. coffee Monday, June 19, at the lola Area Shop.

Carr began his KDOT career in May 2005 at lola. Through the years he has operated various pieces of heavy equipment, worked on highway maintenance projects, and removed snow and ice from state highways in the area. In retirement he expects to spend more time with his family, operate the family farm, and “live life to its fullest.”

He and wife Debra have two sons, Joe and Derrick Carr, and two grandchildren.
