# Pavement marking project starts on U.S. 59

Weather permitting, on Tuesday, Aug. 29, the Kansas Department of Transportation (KDOT) will begin a project to install new pavement markings on U.S. 59 from the I-35/U.S. 59 interchange north to the Franklin-Douglas county line. The contractor plans to start work on the southbound lanes at the north end of the project. U.S. 59 traffic will be reduced to one lane at the work zone, with no significant delays expected.

KDOT awarded the \$209,000 construction contract to Twin Traffic Marking Corporation of Kansas City, Kan. The road work should be completed by early October.

Persons with questions may contact KDOT Construction Engineer Troy Howard at the Garnett office, (785) 448-5446, or KDOT Public Affairs Manager Priscilla Petersen at the Chanute office, (620) 902-6433.
