KDOT to add right turn lane at Ingalls

The Kansas Department of Transportation expects work to begin by Monday, August 4, weather permitting, to add a right turn lane on U.S. 50 at Ingalls for eastbound traffic wanting to turn south onto Main Street in Ingalls.

The initial phase of construction will have limited impact on the traveling public, but the Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs and be prepared to slow down or stop.

Venture Corporation of Great Bend is the primary contractor on this project, with a contract cost of $320,921.65. KDOT expects the work to be completed by the end of September, depending on weather.

If you have questions on this project, you can call Joyce Muhlenbruch, Construction Engineer, at 620-227-6122 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
