K-156 road work in Hodgeman County

Work has started on a pavement sealing project on K-156 in Hodgeman County. The project runs from the Finney/Hodgeman county line to ½ mile east of the K-156 and U.S. 283 junction at Jetmore.

During construction, traffic will be limited to one lane through the work zone, guided by a pilot car. Drivers can expect delays of 15 minutes or less. The Kansas DOT urges drivers to be alert, pay attention to all work zone warning signs, slow down when approaching a work zone and be prepared to stop.

Heft & Sons, L.L.C., of Greensburg, is the primary contractor on this project, with a contract cost of $514,505.00. KDOT expects work on this project to be completed by July, depending on weather.

If you have questions on this project, you can call Joyce Muhlenbruch, Construction Engineer, at 620-227-6122 or Kirk Hutchinson, KDOT Southwest Public Affairs Manager, at 1-877-550-5368 (toll free).

You can stay aware of all road construction projects across Kansas at www.kandrive.org or by calling 5-1-1. To learn more about this and other T-WORKS projects, visit www.ksdot.org/tworks.
