US-36 Mill & Overlay in Republic & Washington Counties

US-36 will be milled followed by an overlay of rejuvenated asphalt beginning in Republic County Thursday, September 29, 2016. The project starts 1.1 miles east of the US-81/US-36 Interchange then on east to the US-36.K-22 junction in Washington County.

Traffic will be controlled by flaggers and a pilot car during day light hours only.

There will be a 12’ width restriction within the work zone.

Plans call for the project to be completed on or about January 17th weather permitting.

APAC-KS. Inc. Shears Division of Hutchinson, KS is the prime contractor. Project cost is $2,706,377.05.
