Road closure for bridge replacement in Lincoln County

The Kansas Department of Transportation is currently overseeing work for the bridge replacement on Kale Lane over Beaver Creek in Lincoln County, about three-quarters of a mile south and two miles east of Lincoln.

During construction, Kale Lane will be closed at the location where the contractor is actively working on the bridge.

L & M Contractors Inc. of Great Bend is the prime contractor and has scheduled this \$539,057 project to be completed in January 2023.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
