Pedestrian and bicycle path project in Junction City

Work is underway for a pedestrian and bicycle path project along the north side of K-18. About .5 miles of work for this project will occur from Karns Drive to Spring Valley Road in Junction City.

Traffic will be minimally impacted as most work will occur on the shoulders.

Ebert Construction Co. Inc. and Subsidiary of Wamego is the contractor on the \$1.15 million project and has scheduled work to be completed by November, weather permitting.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a work zone.
