Phase 2 of resurfacing in the city of Washington to begin Monday

Beginning Monday, Feb. 20, the Kansas Department of Transportation will begin phase 2 for grading and surfacing on all of U.S. 36 within the Washington city limits in Washington County.

During this phase of construction, the center lane of U.S. 36 will be closed through the city limits of Washington for removal and replacement. All streets entering U.S. 36 will be a right turn only and will be closed to cross traffic with the exception of the D street intersection which will allow traffic to cross and enter U.S. 36.

Smoky Hill LLC. of Salina is the prime contractor and has scheduled this \$4.2 million project to be completed by the summer of 2023.

KDOT urges all motorists to be alert and obey the warning signs when approaching and driving through a highway work zone. To stay aware of all road construction projects across Kansas, go to www.kandrive.org or call 5-1-1.
